SERVICE, PARTS, MAINTENANCE**

# Eriez-India Service & Repair

Eriez Service & Repair ensures your equipment operates at peak performance. Whether it's a metal detector service call or a complete rebuild of a suspended magnet, Eriez Service & Repair will have you operating at original equipment standards.

GLOBAL LEADER IN SEPARATION TECHNOLOGIES

**ERIEZ**

# Eriez-India Service & Repair

Eriez offers a well trained and experienced Service Team to cater to all your needs by assessing your equipment at your site and undertaking minor repair work, or completely refurbishing your equipment at our factory in Chennai.

We inspect and service all types of Magnetic Separators, Vibratory Feeders and Metal Detectors of Eriez & non-Eriez make.

## OUR SERVICE INCLUDES:

- Onsite field service, inspection and repair
- Skilled handling of potentially dangerous magnetic equipment
- Refurbishment of full equipment at our plant including an “as new” warranty
- Original OEM parts
- Full Test reports including Gauss reports

## ROUTINE MAINTENANCE IS REQUIRED FOR YOUR EQUIPMENT TO:

- Maintain highest product quality
- Identify equipment problems before they occur
- Reduce production downtime caused by broken equipment
- Meet quality objectives and goals
